

WHAT'S ON

Y3

SPRING 2
2025

Welcome back to school- here is an overview for this term

Welcome Back

If you need any more information, do not hesitate to do so.

**Class Teacher - Mrs Stuart PPA
Teacher - Mrs Wyne Class TA - Miss
Robertson Class TA - Miss Gardner**

English

During this term, we will be covering the following genres:

- Novel
- Non- Chronological Report

We will be reading The Iron Man.

Science

Our topic this term is all about Rocks and, over the course of the term, the class will aim to recognise different rocks like sedimentary, metamorphic and igneous! The children will construct investigations to find the properties of the rocks and to explore fossils. We will be taking the learning outside.

Maths

The children will continue to incorporate The Five Big Ideas of Mastery in all math's lessons, our focus this term is manipulating the additive relationship and securing mental calculation.

RE

Focus question: What do Christians mean by the 'Holy Spirit'?

This term, the unit of work will be Christianity. In this unit, the children will learn about the Church and the Holy Spirit. They will link this with other religions and relate it to life.

PSHE

**Living in the Wider World -
Belonging to a community**

This unit will enable children to understand different communities and how we develop their values towards inclusion and diversity.

PE

This term, children will continue to develop key skills of teamwork.

Music

We will be exploring the music in the Chinese New Year.

Art

The children are completing the new unit of Cloth, Thread and Paint.

History

This unit is all about the Stone Age and the Iron Age. They will develop their skills on investigating and using their prior knowledge to support their learning.

Computing

This unit is Branching Databases. The children will develop their understanding of what a branching database is and how to create one. They will use yes/no questions to gain an understanding of what attributes are and how to use them to sort groups of objects.

French

Learning a second language early in life enhances overall cognitive skills and improves brain development. So, we will be learning French greetings, numbers, colours and school life.
