

WHAT'S ON

Y3

AUTUMN 2
2023

Welcome back – here is an overview for this term

Our Class : Year 3

Welcome back to our Autumn 2 term, I hope you all had a wonderful break!

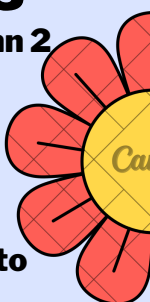

If you need any more information do not hesitate to do.

Class Teacher - Mrs Ingham

PPA Teacher - Mrs Wyne

Class TA - Miss Robertson

Class TA - Mrs Valentine

English

Through reading many fables, we will be inspired to write our own based on the Hare and the Tortoise. Linked to dental hygiene, we will write persuasive letters to share the importance and new found knowledge.

Maths

This half term we will be learning about right angles and securing our knowledge on mental calculations, which leads onto formal column addition.

Science

Our investigations will stem from "Forces and Magnets" – our Teacher is Mrs Wyne and there will be lots of hands on opportunities to learn scientifically!

PSHE

Safe Relationships

Recognising respectful behaviour; the importance of self-respect; courtesy and being polite.

RE

This half term our focus religion is Islam and our key question is 'Why is Prophet Muhammad an example for Muslims?'

Music

We are going to tell stories through music and movement to create a soundscape using percussion instruments.

PE

Coach Mulla will be teaching Tennis and Dance this half term.

Art

"Painting with Scissors": Collage and stencil in response to looking at artwork inspired by L.S. Lowry

Design & Technology

We will use craft materials to create a 'messy map' of the local area, also using an Ordnance Survey map as a guide.

Geography

Through the Royal Geographical Society we will explore the eight compass points to describe the location of capital cities within the British Isles through hands on activities.

French

Salut!

Our second unit introduces school life through 'En Classe'. All lessons have elements of listening, responding to simple rhymes, stories and songs.

History

The Industrial Revolution brought huge changes to British History, in our local area. Comparing what life was like during these times and how we live today is our main focus.

Computing

Class 3 will develop a range of techniques to create a stop frame animation using tablets before applying those skills to create their own story-based animation.

M: • Reading books changed

T: • Outdoor Learning
(appropriate footwear, hats, gloves and coats)

W: • PE

T: • PE

F: • Spelling Test

Homework

10 minutes Reading, Times tables practice and Spelling practice each night. Weekly spellings set and tested once a week. Your child has personal log in details for TTR and Spelling Shed.
