

EMPATHY RESILIENCE AMBITION INTEGRITY RESPECT CURIOSITY

## Miss Stocks' Message (in Mrs Peck's Absence)

As SATs week comes to an end, we would like to say a huge well done to all of our children for the incredible hard work, resilience and determination they have shown. We are immensely proud of each and every one of them. Throughout the week, they approached every challenge with positivity, maturity and perseverance, and they should all feel very proud of themselves.

We would also like to thank all of our dedicated staff team for the care, encouragement and support they have given the children throughout their learning journey in primary school, whether they started with us in pre-school or later on. Their commitment helps our children to grow not only academically, but also as kind, confident and resilient young people.

While SATs are one small part of school life, they can never measure everything we nurture in our children here at school. A score on a piece of paper cannot capture creativity, kindness, teamwork, courage, compassion or the many personal achievements we see every day. We know our children are so much more than a test result, and we are proud of all that they have achieved.

Thank you also to our families for your continued support and encouragement throughout the week.

## CHILDREN'S ACHIEVEMENTS

Wild Camping! - Emily and her dad completed a 5-mile hike from Fell Foot near Chipping around Parlick Fell and up to Paddy's Pole on Fair Snape Fell, reaching 1,712 ft, where, despite the cold wind, they enjoyed amazing views of the Yorkshire Three Peaks, Morecambe Bay, Blackpool Tower and the Lake District mountains.

Along the way they spotted hares, baby rabbits, sheep, ground-nesting birds and horses in the distance, before enjoying toasties and snacks and even playing hide and seek with a friendly field mouse near their tent! The next morning, after breakfast, they packed up and headed back down after a fantastic adventure! Well done Emily and Dad!

## CLASS SPOTLIGHT - YEAR 3

Year 3 have been exploring the topic of Cloth, Thread and Paint in art. This topic introduced children to how artists use textiles and sewing to make art. They explored how we can use cloth, paint and thread to explore colour and texture, creating imagery inspired by land and seascapes. The children were introduced to the work of textile artists Alice Kettle and Hannah Rae.

Following on from this, the children will be using their sewing techniques to create a purse or wallet so watch this space for their creations!

## Year 6 SATs

What a week it has been! As always, the children showed a true Holme Slack attitude in every single part of the week. From walking into school with positive mindsets to giving every paper their absolute best effort, we could not be prouder of them all. They have worked so hard all year and definitely earned a well-deserved rest!

There are lots of exciting things coming up over the next few weeks 🌞📅 and we are looking forward to making the most of every minute with the children as they complete their last term at Holme Slack!

Miss Phillips and the Year 6 Team.

## CAMPBELL'S CORNER CATCH UP

This is our photo of the week.

The Year 1 children enjoyed sharing chocolate birthday cake around the fire pit together.
