Miss Stocks' Message (in Mrs Peck's Absence)

As we come to the end of another busy and successful half term, I would like to thank all of our families for their continued support.

It has been another fantastic term in school, with children working hard in lessons and enjoying a wide range of fun activities, outdoor learning opportunities, and experiences across the school.

We are also delighted to share that whole school attendance has improved from 91.7% at this point last year to 93.2% this year - it may seem like a small increase but it is a significant improvement for a school. This is a fantastic achievement and reflects the shared commitment of pupils, parents, and staff in ensuring children are in school every day and ready to learn.

After half term, it will be time for our Year 1 pupils to shine in their Phonics Screening Check and for Year 4 to showcase their skills in the Multiplication Tables Check (MTC). We know they will do brilliantly and encourage everyone to continue practising little and often over the break.

In the meantime, we wish all of our families a safe, restful, and enjoyable half term. We hope you make the most of the lovely weather and look forward to welcoming everyone back refreshed and ready for the final part of the school year.

STOP PRESS - EYFS

We are delighted to share that our fabulous EYFS provision has been featured on the Lancashire Early Years Facebook page where it was described as 'inspirational'.

Mrs Molyneux, a leading Lancashire EYFS practitioner, and her team work incredibly hard to create an outstanding learning environment where every child feels happy, safe, and ready to learn. We are especially proud of our Hygge-accredited Reception provision, which creates a true "home from home" atmosphere for our youngest children.

Well done to the whole EYFS team on this wonderful recognition and please spread the word as we may still have one or two places left for September 2026.

CLASS SPOTLIGHT - YEAR 4

During Outdoor Learning Day today Year 4 enjoyed lots of fun activities outside throughout the day!

They started the day by taking their English lesson outdoors to read their story, Aladdin and the enchanted lamp. In Maths, the children worked together to play multiplication dominoes to help with times tables practice in a fun and active way.

To finish the day, they completed an orienteering activity in P.E where the children worked brilliantly in teams to create a bird's eye view map of our school.

It was lovely to see such fantastic teamwork, enthusiasm and learning outdoors today!

Outdoor Classroom Day

On Thursday, our classes took part in Outdoor Classroom Day, a global movement that encourages children to spend more time learning and playing outdoors. Across the school, pupils enjoyed taking their lessons outside, making the most of the fresh air and outdoor environment to support their learning.

Outdoor Classroom Day highlights the importance of outdoor learning and inspires schools around the world to make time outdoors part of every child's day. The children thoroughly enjoyed the experience, showing great enthusiasm, teamwork and creativity throughout the day's activities.

CAMPBELL'S CORNER CATCH UP

This is our photo of the week.

- Special care dentistry referrals as required.
- Any other issues not mentioned

IN OTHER NEWS

One Stop Shop

We know that families can sometimes need support with a variety of challenges, both in and outside of school. Although some issues are beyond the school’s remit, we are fortunate to work alongside our local Family Hub, which provides fantastic advice, guidance, and specialist services for families who may need additional support.

The One Stop Shop monthly drop in at Ribbleton Family Hub is a safe space for parents to access advice on DLA claims, housing support, ASD/ADHD pathways as well as mental health support for parents and young people.

This month’s drop in is next Tuesday 26th May from 2pm - 4pm so please pop down if you need any extra support, especially with it being the holidays and school being closed.

Monthly Drop In - Families can access free advice & support
