## Mrs Peck's Message

Dear parents/carers,

It has been a busy and successful time across school, with our Year 1 children completing their Phonics Screening Check and our Year 4 pupils taking part in the Multiplication Tables Check, and I am incredibly proud of the hard work and positive attitude shown by both children and staff.

We are also continuing to explore options for our new school uniform and thank all parents who contributed to the consultation. Findings show strong support, with nearly 8 in 10 families in favour and many recognising benefits for children's comfort, learning and daily routines.

The proposed changes will now be discussed at the Full Governing Body meeting on Thursday. We are continuing to explore options with suppliers and will share an update once a final decision has been made.

Please be reassured that there will be a full transition year, meaning any new uniform will not become compulsory until 2027.

Many thanks,  
Mrs Peck

## CHILDREN'S ACHIEVEMENTS

JJ has achieved an impressive milestone in his very first mixed martial arts competition after training for just one year with the North West Fight Academy. Showing great determination, courage and sportsmanship, JJ competed against older opponents aged 8 and 9 years old. Despite this challenge, he performed brilliantly and was awarded two medals – one for Kickboxing and one for MMA. His hard work, dedication and positive attitude have paid off, and everyone at the academy is incredibly proud of his achievement. This is a fantastic start to his martial arts journey, and we look forward to seeing what he accomplishes in the future!

## MINI SKILLS CHAMPIONS!

Well done to our Reception team who were Mini Skills Tournament winners on Tuesday at an inter-schools competition! The children demonstrated a fantastic range of PE skills and showed excellent teamwork throughout. A special congratulations to Aiden, Iva, Ivanna, Farwah, Caspar and Louie—you represented our school brilliantly.

## CAMPBELL'S CORNER CATCH UP

This is our photo of the week.

Year 3 have enjoyed toasting marshmallows, this linked with their English topic after watching and writing about the short clip 'Marshmallows'

## SAFEGUARDING SPOTLIGHT

*Where's the Harm*  

### Vapes, Knives, Alcohol, Lip Fillers

**Trading Standards needs your help.**  
Young people can be exposed to unsafe, illegal or age-restricted products.

**Do you know of young people being sold or having access to:**  
• Vapes • Knives • Lip filler or cosmetic procedures • Alcohol

If a young person shares where they are accessing these, **report it.**

**Working together to keep young people safe.**

**Your information helps us:**

- Protect children & young people
- Take action against illegal traders
- Keep your local community safe

Report Anonymously  
Scan the QR code  
Or email: [Check25@lancashire.gov.uk](mailto:Check25@lancashire.gov.uk)

**Met Office**

### App beach forecasts

- Now you can get 7-day forecasts, tide times, wave heights and water safety information for hundreds of beach locations.
- In our next update, we will add hourly sea temperatures and additional wave heights information. We'll also enable you to choose your preferred units for wave heights (metres or feet).

### Symptoms of Heat Exhaustion and Heatstroke

#### Heat Exhaustion

- tiredness
- weakness
- feeling faint
- headache
- muscle cramps
- feeling or being sick
- heavy sweating
- intense thirst

**Be Safe**

- Look out for signs of heat related illness
- Cool down as soon as you can

#### Heat Stroke

- confusion
- lack of co-ordination
- fast heartbeat
- fast breathing or shortness of breath
- hot skin that is not sweating
- seizures

**act fast**  
Get help. Call NHS 111 or in an emergency 999.

### HOW HOT IS TOO HOT FOR YOUR DOG?

- 32°C+**  
Severe heat stroke risk regardless of size or breed
- 28 - 31°C**  
Dangerous for all, but life-threatening for larger breeds, puppies, flat-faced or obese
- 24 - 27°C**  
Extreme caution should be taken for all dogs. Large, obese, flat-faced and puppies will find these temperatures very uncomfortable
- 20 - 23°C**  
Dogs suffering from an underlying condition such as obesity or breathing difficulties will be at risk if exercised too rigorously
- 16 - 19°C**  
Generally safe to exercise all dogs, but keep an eye on overweight or flat faced breeds
- 12 - 15°C**  
No evidence of heatstroke so enjoy your walk

**DOG FIRST AID TRAINING**
