

EMPATHY RESILIENCE AMBITION INTEGRITY RESPECT CURIOSITY

Mrs Peck's Message

Last week will certainly be remembered as one of the hottest we have ever experienced in school! I would like to say a huge well done to both our staff and children for the resilience and positive attitude shown during such challenging conditions.

We made the decision to remain open for as long as it was safe to do so. As an older building, school often remained cooler than the temperatures outside, and we worked hard to adapt our provision to keep everyone as comfortable as possible. Classrooms were equipped with fans, and wherever possible lights were kept off to reduce heat. Children enjoyed ice lollies each day, time in paddling pools, and creative activities in shaded areas.

I would particularly like to recognise those children who still attended school despite the heat, showing great determination and perseverance in overcoming the challenges of the week. Your efforts did not go unnoticed. Thank you again to our whole school community for your support, flexibility and positivity during such an extreme week.

Many thanks,
Mrs Peck

CHILDREN'S ACHIEVEMENTS

Sisters Make a Splash!

A huge well done to sisters Carla and Emma, who have both achieved fantastic milestones in their swimming lessons recently!

Carla proudly earned her medal after swimming 5 metres independently for the very first time—without any help or flotation aids. What a brilliant achievement and a big step forward in her confidence and skill!

Not to be outdone, Emma has also earned her medal for swimming an impressive 50 metres independently. This is a fantastic accomplishment and a testament to her hard work and determination.

We are so proud of both girls for their perseverance and success—well done, Carla and Emma!

CHOIR TRIP

Our school choir had a fabulous trip to the Palace Theatre in Manchester recently, where they enjoyed watching the musical Annie. It was a very exciting (and rather posh!) experience for all involved.

For many of our children, this was their very first visit to the theatre, making it an especially memorable opportunity to experience the arts in such a special setting. The children represented the school beautifully and thoroughly enjoyed the performance.

A big thank you to Mrs Cavies, Mrs Peck, Mrs Mayor and Mrs Marsden for accompanying the children on the trip—especially given the late finish!

SPORTS LEAGUE WINNERS!

Holme Slack have been part of the Premier League for all sporting events and this league has a total of 32 schools who enter and take part in the events. Per each event we enter into, we are awarded points and extra points if we come 1st, 2nd or 3rd. Out of all 32 schools, Holme Slack are NUMBER 1 in the league. What an achievement this is! Thank you to our Sports Coach, Miss Mulla and our P.E Lead, Miss Phillips for all of their hard work this year arranging, training and taking children to these events.

CAMPBELL'S CORNER CATCH UP

This is our photo of the week.

Finding cool sit spots in the heat, but never too hot for a 'fire' to warm up your hands!

Help Shape the Future of Support for Families in Lancashire!

We're changing how support works for children, young people and families in Lancashire, and we want your views to help shape what comes next.

What is Families First?

An approach that focuses on:

- Getting help earlier
- Not having to repeat your story
- Building strong, trusted relationships
- Supporting the whole family, with less assessment and more help

Who can get involved?

Young people, parents and carers, especially if you or your family have received Early Help or Children's Social Care support in the last 12 months.

How can you get involved?

You can choose what suits you:

- One-to-one conversations
- Local workshops or focus groups
- Sharing ideas about future support
- Using your experience to help others

Scan the QR code and fill in the form to get involved or email: participation@lancashire.gov.uk

Together, we can build a support service that helps every family thrive in Lancashire.
