EMPATHY RESILIENCE AMBITION INTEGRITY RESPECT CURIOSITY

(Acting) Head's Highlights!

As we come to the end of another busy week, we would like to take this opportunity to say goodbye to Mrs Clarkson, who is leaving her role in Year 3. We thank her for all of her hard work and dedication and wish her every success and happiness in her new job. At the same time, we are delighted to welcome Miss Swarbrick to our school community and look forward to her working with our children and families.

This week also provided a meaningful opportunity for us to come together in remembrance. We were incredibly proud of the beautiful tribute displayed on the playground in front of our memorial, lovingly created by our Year 1 children. Along with our Remembrance Day reflection and two-minute silence, it served as a touching reminder of the importance of remembering and honouring those who made sacrifices for our freedom.

There have also been some wonderful outdoor learning experiences taking place in Forest School. The children thoroughly enjoyed toasting marshmallows around the fire, developing their confidence, independence and appreciation of the natural environment. It has been lovely to see so many smiling faces and enthusiastic learners embracing these opportunities.

I continue to be immensely proud of all of our children. They consistently demonstrate kindness, respect and enthusiasm, and they are a credit to both their families and our school. Have a wonderful weekend.

Miss Stocks
Acting Headteacher

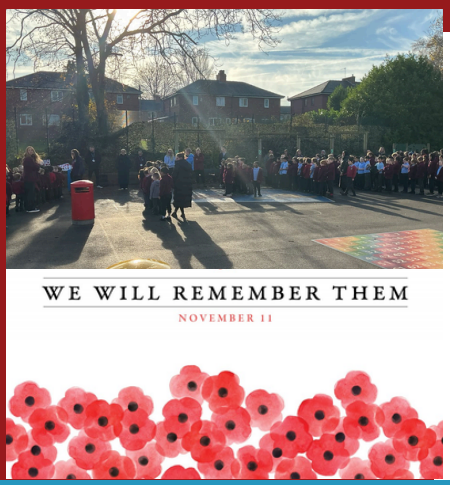

CHILDREN'S ACHIEVEMENTS

What a fantastic achievement for Iva! We were delighted when she brought her medal into school to share with everyone after being awarded it for swimming 5 metres of both front crawl and backstroke without the use of armbands.

This is an especially significant milestone as Iva has worked hard to overcome her fear of the water. Her determination, resilience and growing confidence have helped her make wonderful progress, and she is incredibly proud of what she has achieved.

We are all very proud of our little swimmer and loved celebrating her success with her classmates and teachers. Well done, Iva! 🏊🏅👏

REMEMBRANCE DAY

At 11am on Remembrance Day, the whole school gathered on the playground and fell silent as we listened to the Last Post. It was a moving moment of reflection, giving us all the opportunity to remember and honour those who have served and sacrificed for our country.

We were especially proud of our Nursery children, who joined us so respectfully and thoughtfully during the silence. Their participation showed great maturity and understanding, and it was wonderful to see the entire school community come together for such an important occasion.

Showing respect and taking time to remember is an important part of learning about our shared history and values. We are incredibly proud of all our children for the dignity and respect they showed throughout the service. ❤️🌺

CLASS FOCUS - YEAR 1

Thie week, Year 1 have been busy creating a beautiful Remembrance display filled with handmade poppies. Each poppy has been carefully crafted to help the children reflect on and honour those who gave so much for our freedom. ❤️

The children have also enjoyed spending time in Forest School, where they had great fun toasting marshmallows around the fire. It has been wonderful to see them embracing outdoor learning, developing new skills and making lasting memories together. 🔥🍂🌳
