Mrs Peck's Message

As we come to the end of a very busy and successful spring term, I would like to take this opportunity to thank all of our pupils, staff and families for their continued hard work and support.

This term has been packed with exciting activities and experiences across the school. Our children have represented the school wonderfully on a range of visits and we also had a wonderful time at our Easter Bingo event. Thank you to everyone who supported this event through donations, attendance and helping to organise the evening.

Today we also had a fabulous party day in school celebrating Eid. I would like to thank parents for their kindness and generosity in sending children in with donations of food and money. The children had lots of fun celebrating together and particularly enjoyed the henna hand painting this afternoon. To finish the term, the Easter Bunny also made a special appearance in school, and we hope the children enjoy the treat that he brought for them.

It has been short but productive term, and I am incredibly proud of all that the children have achieved, both in and out of the classroom.

I hope you all have a safe, happy and restful Easter break, and we look forward to welcoming everyone back for the summer term.

SIGN LANGUAGE WEEK

Last week, we were proud to celebrate National British Sign Language Week across the whole school, and what a fantastic week it was!

Our Sign Language Club worked incredibly hard learning a range of food signs, showing great enthusiasm and dedication throughout the week. We were especially proud to see them perform in assembly, where they confidently signed all the colours in front of the entire school – and they did it brilliantly!

They represented our school wonderfully and should be very proud of themselves.

Well done, Sign Language Club – we are all extremely proud of you!

CLASS SPOTLIGHT - YEAR 6

We are delighted to share that our attendance winners for both this week and this half term are Year 6 – a fantastic achievement!

Year 6 have been working extremely hard to improve their attendance and punctuality, and their efforts are really paying off. This half term they achieved 94.2% attendance, which is a great improvement. We are very proud of their commitment and are hoping they can keep this positive momentum going into the summer term.

Even with important tests coming up, the children have continued to enjoy a wide range of lessons. In Science, they have been learning about light and investigating how natural light affects the pupils in the eye.

The children also took part in willow weaving with Mrs Lenz, where they showed great creativity and perseverance, producing some lovely creations. Well done, Year 6 – keep up the great work!

Easter Bingo

On Wednesday, we held a fantastic Family Bingo Night—thank you to everyone who came along and made it such a special evening!

The room was full of laughter, smiles and excitement, with everyone eagerly listening and watching, hoping to win a bundle of chocolate! We also held a raffle to win two chocolate hampers and Easter eggs, which added even more excitement to the evening. It was wonderful to see such great energy and community spirit, and lovely to see so many families enjoying time together.

A huge thank you to all the staff who stayed behind to support the event—we truly appreciate your time, effort and dedication in helping to make the evening such a success.

We are delighted to share that we raised £493. All the money raised will go straight back into the school, helping to support learning and provide extra resources so our children can continue to enjoy, learn and have fun.

Thank you again to everyone who supported this event!
